Newport

1,196 sq.ft. living space
 2 bedroom, 2 bath
 8ft. Ceiling
 159 sq.ft. covered porch

The Newport offers a spacious 1,196 square foot living space. The front of the home boasts a generous porch for sitting and enjoying the outdoors, which can be easily screened-in. An open style living room and kitchen have vaulted ceilings. The kitchen is full-sized and adjoins a large laundry room with deep sink. The master bedroom is illuminated by two windows and includes a walk-in closet. Within the spacious bathroom is a walk-in shower. The Newport is designed to meet the needs for aging-in-place with a step-less entry, 36" wide doors and hallways. With three exterior styles (lap siding, stucco and panel siding) the Newport can be finished to complement the lot's existing residence.
