

Maywood

600 sq.ft. living space
 1 bedroom, 1 bath
 8ft. Ceiling
 108 sq.ft. covered porch

The Maywood offers a spacious 600 square foot living space. The front of the home boasts a generous porch for sitting and enjoying the outdoors, which can be easily screened-in. An open style living room and kitchen have vaulted ceilings that provide bonus space for storage cabinets above. The kitchen is full-sized and has a computer desk nook. The bedroom is illuminated by two windows and includes a six foot wide closet. Within the spacious bathroom is a walk-in shower and a full-size laundry area. The Maywood is designed to meet the needs for aging-in-place with a step-less entry, 36" wide doors and hallways. With three exterior styles (lap siding, stucco and panel siding) the Maywood can be finished to complement the lot's existing residence.
